

EMD-004: Field Mosquito Repellency

- a. EPA Review of EMD-004 protocol 9/15/06

This is the review provided to the HSRB for the October meeting

- b. Final Draft HSRB Report EMD-004 protocol 12/8/06

This is the section of the final draft HSRB report addressing this protocol.

- c. EMD-004.1 Lotion MRID 46979003
- d. EMD-004.2 Pump Spray MRID 46979004
- e. EMD-004 Science Rvw 12/14/06

This review addresses the initial reports for both formulations

- f. EMD-004.1 Lotion Rvsd MRID 47007703
- g. EMD-004.2 Pump Spray MRID 47007704

These are the revised 12/15 submissions of the two reports for EMD-004, which arrived too late to be addressed in the EPA science review listed above.

- h. EMD-004 Ethics Rvw 12/19/06

This review addresses both the initial and revised reports for both formulations
